Company Profile

## M-Powr Team – Your B2B Experts

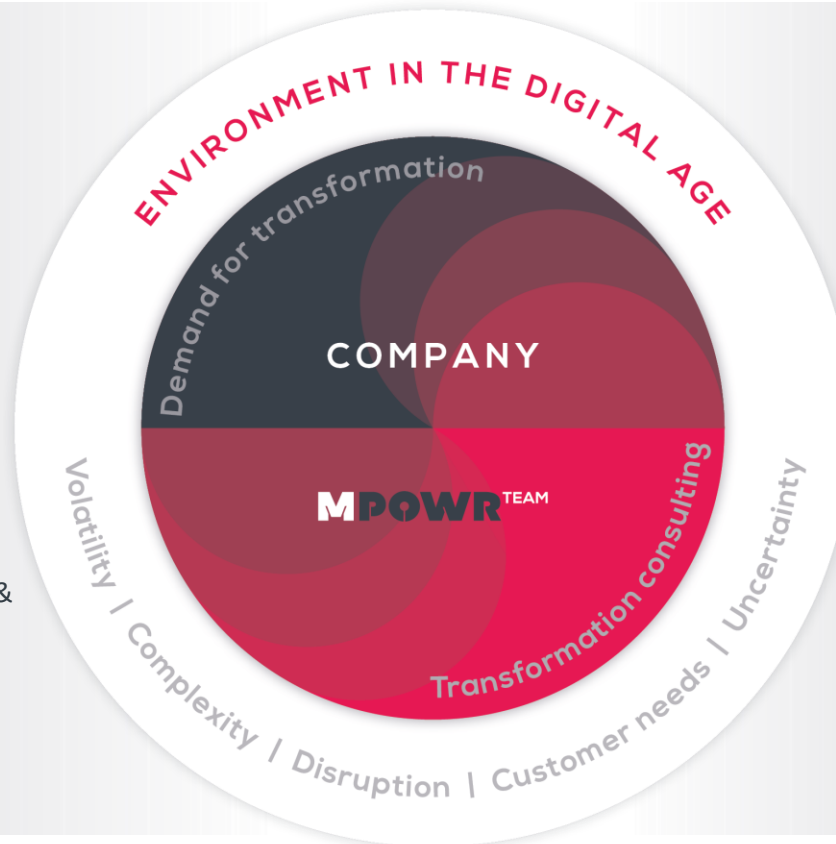

The M-Powr Team GmbH is specialised on sales, marketing and business development. Based on our customer centric approach we develop individual solutions for our SMB customers. We drive implementation and shape internal transformation.

We rely on a senior team of consultants with extensive expertise in management roles in several industries. We are passionate digitizers and act according to agile principles.

## COMPETENCIES

M-POWR TEAM acts as a partner in shaping the transformation of companies:

- Vision & Strategy
- Sales & Marketing
- Business Development
- Product & Portfolio
- Organizational Design & Development

## SERVICES

With focus on SMEs and start-ups M-POWR TEAM offers cross-industry services:

- Consulting & Transformation Management
- Interim Management
- Project & Program Management
- Coaching & Sparring
- External sales

Your successful transformation is our business
